## ABOUT US

# WE ARE RADTEK MOTORSPORTS

### A F1 In Schools team

We are Radtek Motorsports an Indian F1 in schools team participating in the 2022 nationals competition.

We have decided to participate in F1 in schools as we want to raise awareness about STEM in India. As competitors in the F1 in Schools Regionals, we can show ourselves to the world as so much more than a group of students. We have the opportunity to become known as a world-class team of thinkers, innovators and creators—we making use of this opportunity to the fullest extent by creating a team identity that we hope.

# WHY ARE WE CONTACTING YOU?

**The F1 In Schools competition requires us to find sponsors for the costs of Marketing & Manufacturing**

That is the reason we are contacting you. We are looking for sponsorship opportunities to help us cover the costs and create a learning experience by doing the same.
